The Consumer Confidence Report, or CCR, is an annual quality report that the Safe Drinking Water Act (SDWA) requires the City of Banning to provide you with. The purpose of the CCR is to raise customer's awareness of the quality of their drinking water, where their water comes from, what it takes to deliver water to their homes and the importance of protecting drinking water sources. In recent years, Banning has mailed its customers a printed copy of the CCR to comply with the SDWA. On February 21, 2013, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow Banning to reduce the consumption of paper, and minimize potential printing and mailing costs.

To view your 2014 Consumer Confidence Report and to learn more about your drinking water, please visit the following URL: www.ci.banning.ca.us/CCR2014. This information will be available after July 1, 2015.
